直接执行

我按图片里未划掉的文字来批改。整体结构完整：描述图片、阐述道理、总结观点。主要问题是一些固定搭配、句子结构和个别拼写；意思基本能看懂。

1. 语法、拼写和表达问题

原文	建议修改	原因
a little boy who dresses in Monkey King clothes	a little boy dressed in a Monkey King costume	描述男孩穿着什么，用 *dressed in* 更自然；*costume* 比 *clothes* 更适合“戏服”。
his father slimes and replies	his father smiles and replies	拼写错误：应为 *smiles*（微笑）。
follow what we really interest in	follow what we are really interested in	*be interested in* 是固定结构，不能说 *we interest in*。
rather than be influenced	rather than being influenced	与前面的 *follow* 并列时，用 *following … rather than being influenced …* 更顺。
pay excess attention about opinions	pay too much attention to other people's opinions	*attention* 与 *to* 搭配；*excess attention about* 不自然。
opinions objected us	opinions that are different from ours / other people's opinions	*object* 不能这样表示“反对我们的意见”。这里直接说“别人的看法”最清楚。
friends in same interest	friends with similar interests	缺少冠词，且 *friends with similar interests* 是更自然的搭配。
equip us with unique skills	equip ourselves with useful skills / develop unique skills	主语是 *we* 时，若用 *equip*，应写 *equip ourselves*；这里用 *develop skills* 更简单自然。
broaden our horizon	broaden our horizons	常用表达是 *broaden our horizons*。

原文	建议修改	原因
knowledge only on books	what we learn from books	*knowledge on books* 不自然；改成简单清楚的表达。
enthusiastical to life	enthusiastic about life	*enthusiastical* 不是正确形式；形容词是 *enthusiastic*，搭配 *about life*。
an independence mindset	an independent mindset	*mindset* 前需要形容词 *independent*，不是名词 *independence*。
when face difficulties	when facing difficulties	*when* 后可用现在分词；也可以写 *when we face difficulties*。
a mindset of following our ture love	following our true interests	*ture* 是拼写错误，应为 *true*。这里用 *interests* 比 *love* 更符合文章主题。
the cornerstone of promoting … and leading to …	can help build … and support …	原句结构不平行，改成两个并列动词更清楚。
To put in a nutshell	To put it in a nutshell	固定表达中要加 *it*。

另外，*"It is enough that you like it."* 语法可以理解，但更自然的说法是 "What matters is that you enjoy it."（重要的是你自己喜欢。）

2. 轻微修改后的完整作文

> The picture shows a little boy dressed in a Monkey King costume talking with his father. "Dad, my classmates think learning opera is not fun." His father smiles and encourages him, "What matters is that you enjoy it."
>
> This scene reminds us that we should follow our interests instead of being overly influenced by what others say. Paying too much attention to other people's opinions may prevent us from pursuing what we truly enjoy. By following our interests, we can develop unique skills and broaden our horizons beyond what we learn from books. Furthermore, when we devote ourselves to something we love, we are more likely to stay hopeful and enthusiastic about life. We can also develop an independent mindset when facing difficulties.
>
> In summary, following our true interests can help build self-confidence and support long-term growth and success. To put it in a nutshell, we should strike a balance between pursuing our passions and listening to others' perspectives.

3. 想拿更高分，优先改这三点

1. **先保证句子准确、清楚。** 例如用 *pay too much attention to other people's opinions*，比尝试复杂但不熟悉的表达更稳。
2. **让每句话都紧扣中心。** 文章中心是“坚持兴趣，同时听取他人意见”。原文提到“找到朋友”和“只从书本获得知识”，与主题的联系不够直接；修改版把重点放在追求兴趣带来的成长上。
3. **注意文章内部的逻辑。** 结尾说要“平衡自己的热情和别人的看法”，这是有价值的补充。正文也可以明确写出：听取建议，但不必因为同学的评价就放弃兴趣。

深度交互

没有作文题目和评分标准，我无法准确估分。就这篇文章本身看，结构和立意是有的；更容易影响分数的是固定搭配错误和一些句子读起来不够自然。你目前最划算的提分办法，是先记熟上面这些常用搭配，再练习把每句话写短、写准确。
