直接执行

我把图片里的印刷体内容视为题目背景，把手写部分视为你的作文。按考研英语二图表作文的常见评分标准粗略估计，目前约 8–10/15 分。这是基于图片辨认出的文本估分，实际分数还会受题目要求、卷面和阅卷标准影响。

主要问题

原文	问题	建议改法
The table chart shows…	“table chart”重复；通常直接用 *table* 或 *chart*	The table shows…
per 100 households in China from 2014 to 2023	语法没错，但表达略绕	in China between 2014 and 2023
Air conditioners experienced the most remarkable growth	语法可通，但“空调经历增长”不够自然	The number of air conditioners saw the most remarkable increase
almost doubling from 76.2 … to 146.9	数据实际上不是恰好翻倍；*almost doubling* 大致可以，但最好写得更稳妥	rising from 76.2 to 146.9
refrigerators went up 85.5 to 103.4	缺少介词 *from*	rose from 85.5 to 103.4
the number of individual	*individual* 应用复数，且这里用 *people* 更自然	the number of people
…the option to buy…	*embrace the option* 搭配生硬	choose to buy…
investment in technology / tech knowledge advance	图片中的这处改写有些难辨认；若想表达“技术进步”，不能写成 *tech knowledge advance*	advances in technology
participate in trying to buy	结构冗长、不自然	choose to purchase
Such a trend not only bring… but also contributes…	主谓不一致；*a trend* 是单数	This trend not only brings… but also contributes…

原文	问题	建议改法
it allow	主谓不一致	it allows
it has proven be	*prove* 后缺少 *to*	it has proven to be
we should focuses	*should* 后接动词原形	we should focus
technology advance	名词搭配不自然	technological progress

另外，nowadays 通常写成一个词；“individual level”最好写成 the individual level。作文里反复使用 *appliances*、*convenience*，可以适当换词，但优先保证准确。

轻微修改后的版本

> The table shows changes in the ownership of major durable consumer goods per 100 households in China between 2014 and 2023. Air conditioners saw the most remarkable increase, rising from 76.2 units per 100 households in 2014 to 146.9 in 2023. The number of washing machines also increased steadily, from 83.7 to 98.2, while that of refrigerators rose from 85.5 to 103.4 over the same period.
>
> The figures reflect the improvement in people's living standards. Nowadays, people place greater value on convenience in daily life, and more households choose to buy home appliances. In addition, advances in technology have made these products more accessible. This trend benefits both individuals and society. At the individual level, household appliances make daily life more convenient. At the social level, increased demand for these products can contribute to economic development.
>
> Therefore, efforts should be made to make household appliances more accessible to more people.

这版保留了你原本的段落安排和主要观点，重点修正了语法、搭配和表达逻辑。特别是结尾的 “focus on technological progress for all” 比较空泛；改成“让更多人能够使用家电”能更直接呼应图表。

提分优先级

1. **先把图表数据写准确。** 第一段是得分基础；明确比较对象、时间和变化，别为了复杂句牺牲准确度。
2. **把原因和图表数据联系紧一些。** “消费观念变化、技术进步让家电更普及”与图表有关；“有利于社会发展”较泛，最好少写或具体说明。
3. **优先写稳妥的句子。** 例如 *The number of X increased from A to B.* 这种句型比堆叠长句更可靠。
4. **检查主谓一致和动词形式。** 重点记住：*a trend brings*、*it allows*、*should focus*。

深度交互（如有）

这篇作文的核心问题不是“词汇不够高级”，而是**有些句子写得比当前语法掌握程度更复杂**，因此出现搭配不自然、主谓不一致和逻辑泛化。眼下最有效的提分方式，是保留简单结构，把图表描述写准，再用两三句清楚解释原因和意义。
